CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION (CDCR)

As a Chief Psychiatrist for CDCR, I testified in over 150 hearings regarding involuntary psychiatric treatment, and certified over 50 Mentally Disordered Offender evaluations. In this role, I also served as a voting member and lead psychiatrist for the Professional Practice Executive Committee for the state, which oversees corrective and disciplinary actions for physicians who violate standards of care.

MENTAL HYGIENE COURT – NEW YORK STATE

As a forensic psychiatrist on faculty at New York University, I completed over 200 forensic evaluations, regarding fitness to stand trial, inpatient and outpatient civil commitment, dangerous mental disorders including sex offenders, treatment over objection, risk assessment, and decisional capacity.

INDEPENDENT MEDICAL EVALUATIONS AND CIVIL MATTERS

I have also performed numerous Independent Medical Evaluations on behalf of disability insurance carriers and attorneys seeking, and defending against, settlements for emotional damages. I currently contract with the United States Department of Defense to evaluate candidates seeking to enlist in the Armed Forces for fitness for duty. I am also an expert consultant to the Office of Professional Medical Conduct in New York.
